**Subject:** Re: Extension request for Agora cyber CS 471 APP#879437

**Importance:** High

Accepted / Filed

SEP 8 - 2016

Federal Communications Commission  
Office of the Secretary

Hello Adrian...

CC: 02-6

As per our conversation:

Based on the fact that the SLD approved the extension request (on August 16th as per your msg) that was concurrently filed with the FCC we no longer have the need for an FCC review of this extension request. Please dismiss our request accordingly.

Thank you.
